

"We are by your side
for barrier-free
journeys."

FIAT DOBLO XL

The Fiat Doblo XL, equipped with a special lift mechanism, offers the ideal transportation solution with its spacious interior, capable of seating **3 passengers and accommodating 1 wheelchair**. This disability-friendly vehicle is designed for a comfortable and safe travel experience. We provide freedom and comfort in every journey for individuals with disabilities and their loved ones.

Thanks to its advanced lift mechanism, this vehicle can easily carry weights of up to **300 kg**, ensuring the safe transfer of individuals with disabilities into the vehicle.

Every journey deserves freedom and comfort. Overcome obstacles and hit the road with the Fiat Doblo XL. Whether with a driver or without, we provide the solutions that best suit your needs. Hit the road and we'll be by your side. Discover your freedom!

Our vehicle is equipped with a special locking system that ensures the safety of wheelchair users while in motion. This system prevents individuals with disabilities from being jostled during travel and keeps them securely in place under all road conditions.

"Your journey is easier and safer with us."

"We are always by your side for safe and comfortable travels!"

We are here to help you overcome obstacles at every moment of life. Whether it's for your hospital appointments, city or out-of-town travels, or airport transfers, we are by your side with our disability-friendly vehicle rental service.
